A Message from Rev. Andy

Friends,

Twelve years ago to the day (February 20th), I boarded a flight to Israel for a two-week pilgrimage to Israel sponsored by the Knights Templar. It was a profoundly moving and transformative experience. To be honest, I'm still in disbelief that I walked the same patch of earth storied by Patriarchs and Prophets, Mother Mary, Jesus our Lord and his Apostles...and with Israel's most renowned archaeologist as our guide! As I journeyed from one historic site to another, I couldn't help but feel the weight of the world's religions converging in this land. It's a place where the best and worst of faiths seems to collide, creating a landscape of beauty and tensions unlike any other.

The brutal war between Israel and Gaza is yet another chapter in its tragic history. I hear echoes of the past and present reverberate through the land making a calamity for the living; especially vulnerable children. I wonder what they will remember from this time and what influence will it have on their future and the world they will one day inhabit?

That said, I refuse to lose hope in the timeless vision of Jerusalem as the city of peace. It's God's dream for the world that feels both distant and urgent. Before Jesus entered the holy city fully aware of his destiny, he said to his disciples, "Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." (John 14:27) In these troubled times and this Lenten season I am asking myself in what ways my actions and prayers are contributing towards the peace our Lord brings from heaven, to our hearts and for the sake of the world.

Come quickly Lord Jesus,

Rev. Andy

Stewardship

A Disciple You Won't Read About in your Bible

By Susan Testa

My neighborhood book club introduced me to a memoir that I am compelled to share with all of you because it speaks so beautifully of our role as disciples. The book is titled "***An Invisible Thread***" and the author, Laura Schroff, in simple and straightforward prose, tells the true story of her act of kindness and the lifelong friendship that followed.

Laura was an advertising executive in New York City. Maurice was an 11-year -old panhandler working the streets of Manhattan. It was 1986. Thousands of New Yorkers ignored Maurice's plea for money that day as they rushed to their destinations to do whatever was on their calendars. But something caused one of them, Laura, who had already passed him by, to turn around. What she did that day (and for many years to come) changed the course of Maurice's life and it also enriched and enlightened hers. Laura learned to trust and how to be trusted. She learned that the depths of this young boy's needs went beyond what she could imagine and she learned the power of meeting those needs. Food security was a given, of course, but who could imagine the need of simple things like a brown bag, a table, or a toothbrush. Family and friends who feared for her safety would try to dissuade her from becoming involved, but she persisted. The results of her efforts were monumental in Maurice's life.

Stewardship has purchased copies of ***"An Invisible Thread"*** for you to borrow and return for others to enjoy. You will find them, along with a sign out sheet, at our Welcome Center. If you (like me) are too impatient to wait your turn for one of these copies you can purchase your own. As a bonus, a share of the price you pay will be donated to "No Kid Hungry". Do yourself a favor by reading this pay-it-forward story. I promise you will be inspired to make being a disciple of Christ a priority in your life.

Mitten Tree Update

Thanks to the generosity of this wonderful church community, 225 pairs of mittens, 34 hats and 6 pairs of socks were distributed to our three neighborhood schools (Broad St., Mt. Pleasant, Adult Learning Center). One of the nurses commented that she receives daily requests for these items and another nurse said she was down to her last two pairs. They are always so grateful that we have thought of them and given them the ability to help their students stay warm and dry.

Grateful thanks to all who were able to participate in this outreach.

Mitten Tree Thank You

"On behalf of the adult students in our ESL classes, the little ones in our childcare rooms, and the elementary school children in our before and after school program, thank you so much for the lovely hats and mittens! Many of our adult students are experiencing their first winter, ever, so they do not have an abundance of winter clothing, if any. They will make good use of these items, especially those that have to walk to our school. This is about the time of year where our little ones in childcare have misplaced a mitten so having spares assures they can still go outside and play in the snow on good winter days. As for our after school program, with 665 children in 15 schools in our care, these mittens and hats will be distributed by staff, to those in need, and used immediately. Someone commented to me when they saw the mittens were from First Church: "There is a lot of love in that Church". I could not have said it better myself. I am grateful for all of your support and thank you, again, from the bottom of my heart."

Support for the La Romana Mission Trip – Overwhelming!!!

In December, the call went out to one and all for support of the La Romana Mission Trip to the Dominican Republic. The Mission Trip needed so much- medical supplies, personal hygiene items, school supplies, summer clothing to name a few. We set our goals high. We hoped to receive enough donations to fill a Sunday School Classroom (for the second year in a row)! It happened! It took 2 trips to deliver all of the donations to the coordinating church, First Church in Sterling MA. The congregational and community response of donations was more then we could have ever imagined. We received so much! We got aspirin, cough syrup, vitamins, bandages, shampoos, toothbrushes, pencils, rulers, crayons, shoes, clothes in all sizes to name just a few items.

There was an emphasis this year to be able to collect donations of beanie baby or small stuffed animals for the children. The La Romana Mission Trip is a medical trip and each child who comes into the clinic leaves with a small stuffed animal. In 2023, they ran out of beanie babies. We were determined that the Mission Trip would not runout in 2024 and all the children coming into the clinics would receive one. We collected 376 beanie babies of all kinds and colors!! The donation drive was a joint effort and its success has to do with many people. I want to express my thanks to everyone who helped out with donations or gave money. And I would also like to share some of the community groups that helped.

Individual Donors- Thank you to each person who donated money or brought in supplies for the Mission Trip. Your generosity was overwhelming. Small and large donations came in week after week. And it was not only from church going members. Friends and families who never set foot inside the church dropped off needed donations and supplies! And 4 generous families donated $400 which was used to buy children's vitamins and medicines.

Thrift Shops- I visited some of the local thrift shops. I told them about the about the Mission Trip and need for summer clothes. They responded generously with either free clothing or by giving us a deep discount. I want to thank the Pilgrim Church Thrift Shop, The First Church Thrift Shop, the Lucky Dog Thrift Shop, and the Hudson Community Thrift Store. These are all thrift shops whose mission is to supports local community nonprofits and outreach efforts. Their mission is to also provide inexpensive clothing and goods for people who cannot afford regular store prices. We are grateful for their help. If you find yourself in one of these establishments, please give them our thanks.

Family Promise- Family Promise is a recipient clothing donations from the community. The clothing goes to the families who live in their Transitional Housing Program. They were able to share their summer clothes with us for the Mission Trip. It was a lovely turnaround. First Church has always been strong supporter of the Family Promise Program. This time around they were a strong supporter of the Mission Trip.

The Jockey Store, Merrimack- I reached out to a few local stores and asked for donations of clothing that they could not resell. It was a long shot and most of them declined. But the Jockey Store at the Merrimack Outlets was the one store that did not. They embraced the request and gave us 6 large bags of socks, tee shirts and other apparel. These donations were wonderful and then they stepped it up even more. Jockey Stores have a Campaign called Jockey Being Family. Shoppers can purchase a small stuffed bear which is then given to a children's charity for the children receiving services. They named the La Romana Mission Trip as their charity for January 2024. They generously donated 12 stuffed bears to the Misson Trip. The Manager was enthusiastic in her support.

First Church Outreach Committee- The Outreach Board voted to donate funds to the La Romana Mission trip. They donated $300 which was used to purchase children's vitamins, children's medicines.

The Mission Trip to La Romana in the Dominican Republic left on February 23th with a bounty of donations, funds to support La Romana, with the best wishes of the First Church community and with God's blessing on their work. Thanks for helping to make that happen.

Christian Formation Corner

Join the Heifer Excitement

Christian Formation and the Outreach Committee launched the Heifer project on February 18th and it will continue through Palm Sunday on March 24th. On Palm Sunday the children will process into the sanctuary with their collections. In the classes the children and youth will be learning about the program, the different types of animals that can be sponsored, and the impact their efforts have on less fortunate children The enthusiasm is high and thanks to the Wolf family, the hallway into the Sunday School wing is decorated for the occasion .

Join the congregation in supporting Heifer International

During the moment of opportunity on February 18th, Beth Raymond along with children and youth, introduced this year Heifer initiative. This is a joint effort by Christian Formation and Outreach to engage the entire congregation. The children are doing their part and you can do yours by donating. Visit the Heifer tree (see picture) near the welcome center. Here you will learn about Heifer and how your donation can help those who are less well off. You can select an envelope, choose an animal from the tree to sponsor and place the animal and donation in the envelope. It is that easy to have a profound impact.

Christian Formation

This month the Sunday Schoo lessons focus on key figures such as Mary and Martha and on Lenten stories, such as Peter's denial of Jesus. These lessons will complement Heifer activities. The Worship center for the younger children will be learning about the Good Shepherd, the lost sheep and Jesus entry into Jerusalem.

Pretzel making returns on March 10th. This is a First Church tradition and is led by Mike and Emily Adasczik. The children and youth love being together and getting to create something they can eat.

Singing with Steve continues on March 17th. On these Sunday's the children, after they leave the sanctuary, proceed to the chapel to sing with Steve Blunt. It is a favorite activity of the children and teachers.

Confirmation

This month the Confirmation class is concentrating on their faith statements. The class will write a joint faith statement and will also write individual faith statements. They will also be discussing the history of First Church and have a scavenger hunt around Christian symbols. This is a good opportunity for them to examine their beliefs, wrestle with questions of faith and engage with their parents, mentors and confirmation leaders Sabrina Moore and Fred Daniels.

The Connection Café with Monica Gallant

What we learn and experience in church is important as the relationships we build together in faith. Monica Gallant will share with us her insights and expertise in The Connection Café. This is an opportunity for us to grow in our capacity for self reflection, practice positive communication skills, and build a foundation for healing and increased well-being.

The Connection Café will be held between services (9 AM) on **March 3rd and 17th in Nauss Hall at 9 AM** We look forward to seeing you there!

March Community Outreach Focus

Children's Resiliency Retreat at Boys & Girls Club of Souhegan Valley

The Children's Resiliency Retreat (CRR) is a program of the Boys & Girls Club of Souhegan Valley (Milford, NH) that provides mentoring support to youth who have been impacted by a loved one's substance use disorder, also known as the disease of addiction. The CRR is held on the second Saturday of each month and is a safe place where youth learn healthy coping strategies when confronted with adverse experiences, as well as, opportunities to build resiliency and develop healthy relationship skills. The CRR includes fun, experiential learning opportunities through adventure-based activities, connecting with nature, and engaging in creative art therapies. Research indicates that one trusted adult can change the life of a child and the CRR program provides that opportunity by connecting youth with trusted, caring adults. There are many opportunities to support this program by sharing a special skill or sharing the gift of time by joining the mentoring team during the monthly retreats. For more information about this unique program, please contact Monica Gallant at mgallant@svbgc.org or visit https://svbgc.org/childrens-resiliency-retreat/.
