A Message from Rev. Andy

"Faith is the assurance of things hoped for, the substance of things not seen." Hebrews 11:1

Faith in Uncertain Times

I attended a lecture given by a man who had been a member of a church youth group I once served. He pursued a career in foreign affairs and diplomacy. Behind the headlines of the world's most volatile wars, people like him were actively pursuing pathways to peace. When asked what was the most important prerequisite for his work, he used the phrase "Tolerance for Ambiguity." That's how the secular word defines what the church calls faith. He felt very strongly that his faith in God called him to the kind of work that seemed impossible but absolutely necessary.

As I look around the world and our nation, I feel with you the weight of what seems impossible; an end to war in Ukraine; peace in the Middle East, and domestic harmony as the next election approaches. It can feel so overwhelming and hopeless.

In moments like these, I've found good courage in Hebrews 11:1: "Faith is the assurance of things hoped for, the substance of things not seen." The preacher to the Hebrews reminds us that faith is something more than wishful thinking. Faith is a steady assurance, even when the evidence seems invisible. It's like scaffolding that supports us up in times of ambiguity.

Right now on planet earth, there are people who are looking beyond our present day conflicts; they may be working quietly behind the scenes or shouted down or mocked as minority voice, but try they must. Like walking on water or moving mountains, success often seems improbable, but not trying would be akin to saying "no" to God. And isn't that what faith demands of us? To step out even when the outcome is uncertain---to pursue peace, justice, and healing even when it seems the odds are stacked against us?

The church is a community grounded in faith that God has and will act to redeem you and me, and the whole world with Christ. It is not blind optimism but a life devoted to God in keeping our vows come what may. In our most challenging times, the act of faith is to trust in God's presence and purposes, even when we can't see the whole picture.

Reinhold Niebuhr, the great theologian and UCC minister, provides words that resonate in times like these. He captured the essence of how faith, hope, and love work together, especially when the world feels uncertain. I leave you with his words, which remind us that faith is both a virtue and a necessity:

"Nothing worth doing is completed in our lifetime; therefore, we must be saved by hope. Nothing true or beautiful makes complete sense in any immediate context of history; therefore, we must be saved by faith. Nothing we do, however virtuous, can be accomplished alone; therefore, we are saved by love."

May this wisdom guide us as we navigate the tensions of our times, and may we find courage to say "yes" to God, even when the task seems impossible.

Grace and Peace,

Rev. Andy

Christian Formation Corner

Christian Formation Updates

Faith Can Move Mountains has been a wonderful theme for this year as students are learning more about what that means in their day to day life through lessons in the Bible. We are wrapping up units on the Bible and moving into the season of Advent. Students will have the chance to learn about Jesus' birth from the view point of Mary, Joseph and the Shepherds. We will also be rehearsing for the pageant that will be on December 15th during worship service.

This summer, our Flat Jesus was able to explore various parts of Nashua. If any student or family wants to take Flat Jesus home with them for a week to explore different places, please let Amanda Steere know.

Upcoming Christian Formation Dates

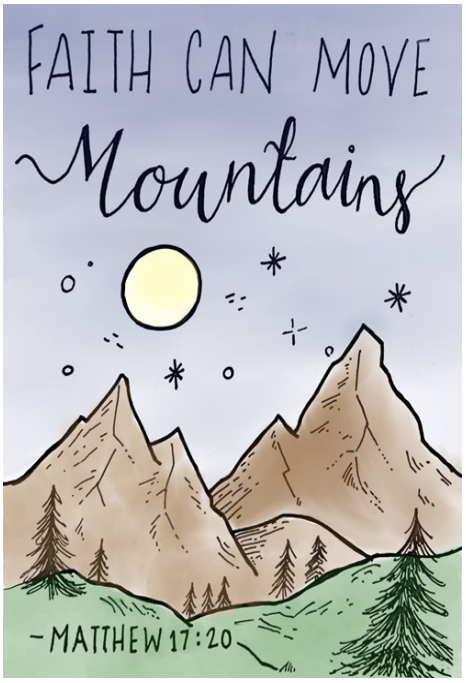
- Christmas Pageant : Sunday, December 15th (During 10 am worship)
- NO Sunday School December 22nd & 29th

Be sure to look for information on the Ring and Sing for your supper potluck event! **November 12th @ 6:30 pm.** This is a great opportunity for fellowship and a chance for your kids to see how they can be part of the music ministry here at The First Church.

MAD HALLOWEEN CARE PACKAGES

The MAD (Make a Difference) students were able to fill 14 care packages to send to our college students who are away!

Thank you for all of the generous donations, and support in letting these students know that The First Church congregation is thinking about them and praying for them.



In this season of giving thanks, I struggle to find the words that can begin to express my appreciation for the love and support shown to my family by the First Church community.

During Jan's year-long battle with cancer she refused to succumb to self-pity, but instead chose joy and the daily challenge to make one person smile. She was buoyed by the daily notes, cards, plants, and visits from so many of you.
When Jan completed her earthly journey she was at peace and unafraid. Her work was done, she knew we were well supported, and she had a few questions she was looking forward to discussing with the Creator.

When we walked into the sanctuary for Jan's service, I said to Josh and Caleb, "I can't believe how many people are here. They both gave me the "Dad, you're an idiot", look and said, "Why are you surprised?" She had shown us the truth of the teaching, "Cast your bread upon the water and it will return one hundred fold."

So the cards and the notes, the visits, the love and support kept coming. And thank you still doesn't say enough.
But, thank you...
To Rev Andy for his continuing pastoral support.
To Rev Jim and Rev Nancy for a beautiful service.
To the Deacons and Reception committee for providing such a welcoming space for all who gathered to celebrate Jan's life.
To Dianne for her patience in putting together the bulletin.
To Craig and Lee for recording the service.
To my favorite keyboard player and Katie O'Brien for their incredible musical tribute.
To everyone who helped us to make an amazing donation to the Nashua Soup Kitchen and Shelter.
To everyone who touched our lives in so many ways during this journey.
Thank you for being the Church at it's best.
Peace,
Rev Jeff

NOVEMBER OUTREACH

The Outreach Board focus for November is the Front Door Agency. They assist single mothers and their children in achieving stability and independence. Their mission is to deliver comprehensive services that empower clients to set and meet objectives, fostering self-sufficiency.

Some of their needs include: paper towels, tissues, toilet paper, large size diapers (size 4 and up), wipes, high efficiency laundry detergent and fabric softener. During November a basket for donations will be available near the Welcome Center. Thank you!

Family Promise Volunteers Needed

The First Church has happily supported the Family Promise Program since its inception 20+ years ago. Family Promise helps families who are homeless or about to be homeless. They provide a temporary home for those families which gives them a safe place to live while they work to set up permanent housing for their family. The program gives the families the gift of very affordable short term housing but also training and resources to be prepared to move into an affordable home.

Family Promise staff are very supportive and knowledgeable regarding the community resources the families need. It is a wonderful model of support that has helped many families over the years. The current program is located in the old Infant Jesus School on Crown Street which was renovated to house Family Promise families. There is a huge kitchen in the building. First Church volunteers continue to prepare and serve dinners for the families on the third week of the month as we have for years now. This is an important outreach for The First Church, but also a delightful experience for First Church volunteers who get to meet and interact with the families and their children. Beth Raymond coordinates the meals each month.

Recently, several volunteers have had to withdraw from volunteering due to health reasons. We need more help. Specifically, we need volunteers to do two things. We need volunteers to prepare and drop off portions of the meal, (for example, a salad, vegetables of part of the main course). We also need volunteers to come to the program and help serve dinner. We need servers on the third Monday and Thursday of the month from 5:00 pm to 6:00 pm at the program (Family Promise ,3 Crown Street Nashua.) If you might be interested in helping in any way or would like more information, please reach out to Beth Raymond. 603-595-0053. Thank you!

Hunt Community Service

Services at the Hunt Community are conducted by Rev. Nancy, and are usually held on the second Friday of the month at 3:00pm.

Services include reading of scripture, sharing of concerns, prayer and communion. All members of the community and their friends are welcomed to join this time of worship and fellowship. The next services will be held on:

November 8
December 13

We look forward to seeing you there!

It is a confidential group that listens and prays. Contact Rev. Nancy if you have questions or would like to join.

The Visitation Team is comprised of members of the congregation. They maintain contact through visits and calls to members who can no longer get to worship or who are experiencing illness or other hardship. The team is seeking new members. If you feel a calling to participate, please be in touch with Rev. Nancy

Stewardship

GROWTH

By
Erin Almeda

This year's stewardship theme, **"*A Question for Each of Us…Is our Giving and Service Commitment Growing Christ's Church?*",** asks us to reflect on what we give back in relation to all that we have been given: our time, our talents and our treasure. More importantly, is what we give back enough for to allow *GROWTH*?

First, consider the heart behind your giving. When we give and serve with a genuine desire to further Christ's mission, we participate in something much bigger than ourselves. Jesus teaches us that where our treasure is, there our heart will be also (Matthew 6:21). By intentionally dedicating our resources, we align our hearts with God's purposes. Are we investing in the church in a way that reflects a heart truly devoted to growing His church?

Second, how does our contribution affect the church's impact within our community? The church is not just a place of worship; it's a hub for outreach, ministry, and transformation. Our giving enables ministries to flourish, supports outreach programs, and provides for the day-to-day functioning of the church. Equally, our service to the church creates a welcoming, thriving environment for spiritual growth. When we give and serve, we help create opportunities for others to experience Christ's love. Are our efforts directly contributing to the church's mission to be a light in the community, or have we settled into comfortable patterns?

Lastly, ask yourself how your personal growth is tied to this commitment. Growing Christ's church doesn't only mean numerical growth or more outreach, but also spiritual growth within each of us. Giving and service are spiritual disciplines that deepen our relationship with God. As we give sacrificially and serve faithfully, we develop a deeper trust in God's provision and experience the joy that comes from living out His calling. Are you challenging yourself to grow in these areas, or have you reached a plateau? Each step of increased commitment not only strengthens the church but also transforms us as individuals, shaping us more into the likeness of Christ.

"*But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen*." 2 Peter 3:18

Reminder from Nominating

We are in the process of planning for our 2025 year. If you are currently on an elected board or committee, please let us know if you plan to serve another year. You can send an email to nominating@tfcucc.org, call the church office or contact one of the members of the nominating committee (Jocelyn Henning, Charlie Morris or Todd Whitney). We look forward to hearing from you by November 1st and appreciate your response. Thank you!

THANKSGIVING BASKETS AND WHITE DOVE PROGRAMS 2024

Over the past couple of years our protocol for the Thanksgiving baskets and White Dove/Silver Dove programs has changed. Originally we were doing gift cards due to the pandemic and I know some of you were disappointed we weren't doing it the "old" way….choosing families and actually buying for them.

The agencies have told me that their clients actually prefer the gift cards both for Thanksgiving and Christmas. So many of them do not have a traditional turkey dinner and the gift cards allow them to buy what their families are used to.

With White Dove/Silver Dove, one agency only wants gift cards again to grocery stores for their clients. The Santa Fund sees to helping those families buy gifts. The people from the other agency actually enjoyed going out and shopping with gift cards you have donated to the various stores so they can wrap them and pick out what they know their families want. For this agency we give both grocery store and department store cards.

The participants are given a list of 5 stores and may only choose two for their gift purchases. We will be getting more updated information soon.

My suggestion for those who like to give a little gift is to maybe tuck in a few special items for those who are with the second agency. I can share that information when it is time.

Blessings to you all.

Carol Butler

Sign up deadlines:

Thanksgiving: I need the gift cards by **November 15th ,**so I can deliver them to the agencies by November 20th.

White Dove/Silver Dove: **Cards are needed by December 11th.**

SING & RING
FOR YOUR SUPPER!

The Music at First ministry is hosting an all-choirs and all-church **POTLUCK Fellowship** event, in the Dining Room (lower level of old building) on **TUESDAY November 12, at 6:30PM.**

This will be a chance to gather together, and experience a little bit of group singing, and as well, have a chance to hold and play some HAND BELLS for those who may be interested in that part of the music ministry.

This might even be a great opportunity for our 4th through 8th graders to hold a bell and see if interest in reviving our **JUBELLATION** bell choir is also possible!

Bring a DISH to share (app, main course or salad); beverages will be provided.

See you there!

ALL SAINTS SUNDAY to offer SPECIAL CHORAL MUSIC

This **November 3rd, at the 10AM service in the Sanctuary**, the CHANCEL CHOIR will offer choral works at our Communion and lifting up of our departed Saints during morning worship.

A keynote feature of that morning is multiple movements of the beloved **John Rutter REQUIEM** being offered, in memory of our beloved departed.

One of these movements will also be offered by our **STAFF SINGER QUARTET** at the 8:15 am Chapel service with Communion as well!

Mark your calendars to be present with us this special morning.

CONCERT SERIES 2024 – 25 SEASON

OPENING CONCERT WOWS AUDIENCE

325 fortunate souls received a power-packed afternoon of music, dazzled by the artistry of Broadway legend **LIZ CALLAWAY** and her fantastic pianist **ALEX RYBECK**. The synergy of 40 years as collaborators was something truly to behold!

Stories of family life, Stephen Sondheim, Hal Prince and Stephen Schwartz underscored the entire afternoon. The atmosphere was ***electric***, and the generosity of the **FRIENDS OF FIRST MUSIC** allowed for our church, community and region to be brought this truly unique opener to FIRST MUSIC.

Kudos to the entire **Music Committee** for their tireless work in *Bringing the Joy of Music to the Gate City*, now in Season XVII!

FIRST SCHOLA NEEDS SINGERS

Young women in **Grades 7 through 12** are encouraged to help re-start our signature treble choir **FIRST SCHOLA.**

The choir meets select **Thursdays at 5PM**, and has a limited worship rotation.

Boys with unchanged voices may also join First Schola, but we have found this age group to be right on the cusp of their voice change. *(Boys changed voices are always welcome to consider Chancel Choir.)*

More information about **FIRST SCHOLA** schedules can be found online. *(Under "Music", then "Choir Schedules", then "First Schola").*

CHILDREN TO GATHER TO SING FOR CHRISTMAS EVE

As we are still re-building children's music after the Pandemic, the **CHAPEL CHIMERS** and **JOYFUL NOISE** age groups (which cover K through Grade 7) will join forces this season, with an eye towards supporting participation on CHRISTMAS EVE, December 24 – at the 4PM Family Service (note the new time!)

We will rehearse on a specific **Sunday schedule provided to parents, at 9:15-9:45AM,** to learn carols and songs to sing as a choir for Christmas Eve.

This is a great way to meet other families in the church, and for children and youth to interact in another opportunity at The First Church.

Please contact JOSEPH in the Music Office at jolefirowicz@tfcucc.org or call (603) 882-4861 X15 for more information.
